

## **Job Description**

### **Scottsdale Christian Academy- Choir and Chorale Instructor**

#### **Purpose Statement:**

The Choir Instructor is responsible for providing middle and high school students a quality vocal music education. The instructor motivates students to develop an interest and appreciation of the art of music. The instructor develops knowledge, skills, and talents of the students in the field of music, utilizing a variety of instructional techniques appropriate to the students' interest and abilities. The teacher will be responsible for organizing and conducting student choir(s) in concerts and performances both on and off campus. The teacher is responsible for selecting and maintaining instructional books, instrumental aids, and educational equipment.

#### **Essential functions of the job may include but are not limited to the following:**

- Teach content from approved curriculum in accordance with assigned course schedule.
- Motivate students to actively participate in all aspects of the educational process.
- Maintain communication with parents and students to support instruction.
- Monitor and motivate students relative to progress for assigned course work.
- Appraise students and parents of student academic performance.
- Utilize, maintain, and stay current with the knowledge and skills of the online learning management systems, and resources, and student information systems.
- Implement strategies to advance and improve student performance.
- Provide appropriate accommodation and modifications to student programs based on individual student need.
- Participate in professional development activities for the purpose of improving instruction and program delivery.
- Meet professional obligations through efficient work habits, such as meeting deadlines, coordinating schedules, and attending all meetings and devotions.
- Regularly integrate Biblical principles into daily plans.
