

Dear SCA Families,

This is an exciting time of year for Scottsdale Christian Academy as we look forward to next year and anticipate the great things God will do. The 2020-2021 school year is sure to be a great one to include a year of appreciation to our Lord for continuing to honor our mission, a year of exciting innovations and another year of big goals and plans to launch us into a promising future so that your children's children will have the same opportunity.

Beginning, **Wednesday, November 13, 2019** Scottsdale Christian Academy will begin it's early reenrollment application process for current SCA families. The reenrollment process helps us plan staffing and facility usage for the 2020-2021 school year, as well as determine any availability for new families interested in joining our community. The early reenrollment process will continue through **Friday, December 13, 2019**, at which time you will be able to pay our discounted early enrollment fee of \$150 per student. After **Friday, December 13, 2019**, the fee will increase to our regular reenrollment fee of \$250 per student, we will begin accepting eligible new families, and we will not be able to guarantee space for those not yet reenrolled.

We understand that life's circumstances such as moving from our area may occur. We ask that you please notify your school office if you know you will not be reenrolling for next year.

Thank you so much for the blessing you are to the SCA community and we look forward to collaborating with you in the coming year. If you have any questions throughout the application process please let your school office know.

Also, remember that if you refer a family to SCA you can receive a \$500 TUITION CREDIT! If everyone at SCA referred one family, the impact of SCA would multiply greatly! Who will you refer?

Blessings,

SCA Administrative Team
