

SCA offers a two-day Preschool program (Tuesdays and Thursdays) for students who will be three years old by September 1 of the current school year. The half-day schedule is from 8:15-11:30 AM. The full day schedule is from 8:15 AM-3:00 PM.

The *Horizons Preschool for Three's* is a researched based curriculum focusing on developing physically, emotionally, spiritually, and academically. Throughout the school year preschool students will be actively engaged in science, language arts, phonics activities, emergent reading and writing centers, math, story time, music, art, physical education, Bible and creative cooking.

Parent-teacher relationships are encouraged and welcomed to bring community to the classroom and families. During the school year, classroom celebrations, events and outreach projects will help build a foundation for meaningful community during the school year.
