

# SCOTTSDALE CHRISTIAN ACADEMY

March 26, 2021

Dear SCA Community,

To keep you informed of any standing cases, the following contains new information as well as an update on previous information. This may not directly relate to you or your family but is an effort to keep you informed. ***While much of this content is repetitive, please see bullets below for anything new related to current cases.*** These relate only to current cases of SCA students, faculty, or staff. We have been very blessed to keep these to a minimum and appreciate your help to reduce your exposure outside of SCA. We ask that you continue to follow health protocols and keep all children home with any symptoms, signs of illness, or if they have been exposed to anyone with COVID-19. We ask that everyone respectfully and graciously complies as we all work together to do all we can to keep our campus safe and open.

We continue to maintain the RLO program for those already enrolled in the program who are at higher risk, or those placed in quarantine. For all of those in person, we will continue to implement our cleaning protocols that have been shown to be effective in keeping SCA safe.

Information on current cases as of today at SCA:

- A 1<sup>st</sup> and 7<sup>th</sup> grade student from same family, both returning April 6.
- Kindergarten teacher returns Monday.
- High School: No current cases.

*\*All of those considered quarantined are aware of their approved return date.*

These are all the current standing cases at SCA. All other previous cases have returned from quarantine.

Thank you for continuing to support the safety of our campus by reducing exposure outside of your home to all extents possible and supporting the protocols we have in place. Even in these challenging times, and perhaps especially in these challenging times, we are so blessed to be a part of this amazing community of Christ-followers, united in spirit.

May God continue to bless you and your families, and may we get through these times united and together in Christ!

In Him,

Dr. Hodges
