

SCOTTSDALE CHRISTIAN ACADEMY

May 7, 2021

Dear SCA Community,

Good morning! It is hard to believe that there are only about a dozen days of school left! A special thank you to our teachers for their continued enthusiasm and love for learning during a challenging year. We are finishing strong and are so proud of our students! It has been a fun week of teacher appreciation around here, and we are especially grateful to our Parent Association for making us all feel so loved!

In an effort to keep you informed of any standing cases, the following contains new information as well as an update on previous information. This may not directly relate to you or your family but is an effort to keep you informed. **While much of this content is repetitive, please see the bullets below for anything new related to current cases.** These relate only to current cases of SCA students, faculty, or staff. We have been very blessed to keep these to a minimum and appreciate your help to reduce your exposure outside of SCA. We ask that you continue to follow health protocols and **keep all children home with any symptoms**, signs of illness, or if they have been exposed to anyone with COVID-19. We ask that everyone respectfully and graciously complies as we all work together to do all we can to keep our campus safe and open.

We continue to temporarily maintain the RLO program for those already enrolled in the program who are at higher risk, or those placed in quarantine. For all of those in person, we will continue to implement our cleaning protocols that have been shown to be effective in keeping SCA safe.

Information on current cases as of today at SCA:

- Elementary: None
- Middle School: None
- High School: One teacher returning May 10, two 12th grade students returning May 12, one 10th grade student and one 11th grade student each returning May 14.

**All of those considered quarantined are aware of their approved return date.*

These are all of the current standing cases at SCA as of today. Any other previous cases have returned from quarantine.

Thank you for continuing to support the safety of our campus by reducing exposure outside of your home to all extents possible and supporting the protocols we have in place. Even in these challenging times, and perhaps especially in these challenging times, we are so blessed to be a part of this amazing community of Christ-followers, united in spirit.

May God continue to bless you and your families, and may we get through these times united and together in Christ!

In Him,

Dr. Hodges
