

PE CREDIT FOR ON CAMPUS SPORT PARTICIPATION

Students are required to complete 1.0 PE credit as part of their graduation requirements.

- Students may earn up to **1.0 PE credit** by participating in **three seasons** of a Scottsdale Christian Academy sports team.
- Each **sports season** is worth **0.33 PE credit**. To earn credit, the student must complete the **full season** of the sport (e.g., one season of JV football = 0.33 PE credit).
- Students who participate in **multiple sports during the same season** will still receive only **0.33 credit** for that season (e.g., a student participating in both basketball and soccer during the winter season would still earn only 0.33 PE credit).
- To receive PE credit for athletic participation, this form must be completed and submitted to the SCA Registrar.
